Imprinted Polyester Lanyard

Our Imprinted Polyester Lanyards are made from soft and durable polyester with an imprint area of up to 36". We use a silk screening process which allows us to separate each individual color on the silk screen before applying them to the lanyard. This process is the highest quality in the industry which leaves the ink flush with the lanyard and gives a result which is brilliant in color, and will not wash or rub off. As an added bonus, you get to choose 1
