

## Product **Non-Woven Bags**

Custom non-woven bags are the perfect way to advertise! With more and more consumers becoming environmentally-conscious more people than ever before are taking re-usable bags with them for all of their shopping needs. What better way for your customers to get their name out there than for them to give their customers a custom non-woven bag with their name on it that they will use over and over again!

Numerous companies utilize this method of marketing including news and radio stations, supermarkets, convenience stores, department store, and so many more!
