

Product **Silkscreen Wristbands**

A printed wristband allows you to make a bold statement in any color! Mix and match colors to design your wristband and add the perfect color text to complete the look for any cause, awareness campaign, fundraiser, or fashion statement!

Printed wristbands use the silk screen process to apply your text and/or images to the wristband. The color or colors that you have chosen will be poured into a wristband mold. Once the mold has been cured and removed from the mold your text and/or design is applied to the wristband using environmentally friendly lead free paint that is durable and guaranteed to last. Once this process is complete each individual wristband is checked for quality and accuracy before being packaged for shipment.
